

Well Established Profitable Motor Factors

North Wales, United Kingdom

Undisclosed

The Business Partnership is delighted to offer for sale this well established and profitable motor factors with a turnover of £5,000 plus per week. Operated for four years by the vendor, the business has shown very strong and consistent sales growth.

The business is run using the 2003 MAM database system. The customer base in addition to retail customers includes a strong trade base over an extensive area there being very little effective competition. The trade customer base includes a large number of independent garages and mobile mechanics. Many of the trade accounts are supplied via a van delivery system. A van driver is employed on a part time basis. The business is otherwise run by the vendors (2)

The price of £120,000 includes fixtures, fittings, all stock and the MAM database system.

LOCATION

The business is located on the main retail shopping street of a traditional regional market town. As such it services a customer base of not only the immediate locality but also retail and trade customers over more than a 25 mile radius. The town is seen as a gateway to central Gwynedd, which further confirms its regional significance.
