

# Car Accessory Manufacturer For Sale

Undisclosed, Warwickshire, United Kingdom

£800,000

The company was set up in 1984 by the present owner and incorporated in 2003. The company has developed into one of the country's leading distributors of alloy and steel wheels, including it's own brand together with other leading brand names. Over the last few years, significant investment has been made into the development of their own range of traditional wheels and accessories for the classic car market.

The company is now recognised as the largest supplier of aftermarket alloy wheels for the "Mini" and "VW Beetle" markets in the UK and currently export to 22 countries worldwide which include Japan, Australia, Singapore, New Zealand, Austria, France, Holland, Denmark, Malta, Germany and South Africa. They supply retail, and also wholesale to well-established businesses world-wide, and expanding the product lines daily.

## LOCATION

The company currently operates from a converted freehold small holding in a rural and attractive part of the Midlands. The premises comprise: • 5 acre site, including large detached domestic property • 20,000 sq ft office and warehousing • Huge potential for expansion on the current site
