

# Food Processing And Distribution For Sale

## Avon, United Kingdom

£245,000

A business that has successfully traded for 26 years producing a range of frozen and fresh food product; ranging from low cost budget products through to premium grade produce.

They are multi-channel, providing large volumes into both the catering businesses and to the retail food chain; several large customers purchase 'own branded' product to their own special recipe.

In addition to their own production the business also markets and distributes other manufacturers products.

## LOCATION

Industrial estate with good access and ample parking.

## EXPANSION POTENTIAL

The generic product group is receiving significant and positive PR as such awareness has been enhanced and it has come out of the 'closet'.

## COMPETITION / MARKET

Niche market; the entry investment costs are significant and a barrier to entry, likewise there are health and hygiene issues which may deter new entrants.

## SUPPORT & TRAINING

One of the partners is happy to remain within the business in some production or development capacity.

## REASONS FOR SELLING

Retirement of one of the partners.
