

Rural Garage Services

South, Suffolk, United Kingdom

£47,950

This business is a small well established garage providing a variety of services to a rural community. The workshop currently has two bays, one with a 2 post ramp, however with some re-arranging, room for extra bays could be made. At the front is a forecourt area where approximately 10 cars may be parked or displayed. The premises are in need of some re-furbishment and clearing out.

LOCATION

The business is located in rural Suffolk and serves the surrounding local villages

EXPANSION POTENTIAL

The business has been allowed to run down to a certain extent and a new owner could significantly improve the presentation
