

Outside Caterers Business For Sale

SW London, London, United Kingdom

£130,000

The Business Partnership is pleased to offer this well established business which has a good mix of long term customers as well as one off work. The client base is also varied and includes corporate clients, some being serviced daily, private functions and also a number of museums as well as private functions. The food ranges from simple buffet to three course meals. Most of the business is repeat or referral. The client base is predominately SW London and central London. This is an excellent opportunity to either enter this market or to expand your existing business.

LOCATION

Located in two units on a commercial estate with good road links to central London

SUPPORT & TRAINING

A full hand over period will be available to ensure the new owners are fully au fait with the business.
