Undisclosed, North Wales, United Kingdom

£1,400,000

The Business Partnership is delighted to offer this rare opportunity to acquire a long established, family owned boat dealership which is built on 30 years of quality and service. The strength of the business is based on offering a complete and comprehensive service to its chosen market. All of the products supplied can be backed up with full service, repair and warranty workshop facilities. In addition to the main boat and engine sales the business has an extensive retail shop providing chandlery supplies together with caravan equipment and accessories.
