

# Freehold, Highly Profitable Garden Machinery Business For Sale

Major Coastal Town, East Sussex, United Kingdom

£599,000

The Business Partnership offers for sale:

Located close to Sussex's largest population centre, this long-established, fast-growing operation enjoys an excellent reputation and generates strong sales and profits from a high-quality and affluent clientele.

The business supplies a range of garden and forestry equipment ranging from simple handtools through to full-scale commercial mowers, chainsaws, and tractor attachments. In addition to the retail sales the business generates strong, high-margin income from its servicing and repair operation.

- Strong, Well-Founded Business
- Exceptional Profits
- Outstanding Further Growth Potential
- Renowned Reputation
- Straightforward Operation

For personal reasons the operation does not trade at weekends although demand at this time of the week is at a peak. It is suggested that the current turnover of £640,000 could be readily increased to £1.0m by owners with the ambition to capitalise on this untapped potential.
