

Thai Restaurant For Sale

Undisclosed, Lincolnshire, United Kingdom

£225,000

WORTH VIEWING - This beautiful restaurant is effectively run under management but no longer fits with the owner's future business plans. The business is unopposed, benefits from some super staff who are loyal (vendor suggests it would be beneficial to retain the staff). It goes without saying that the menu/food and service make this a popular choice, the gardens are superb, and the website is very up to date.
