

Boat Charter Marine Diving and Angling Trips Business For Sale

Hampshire, United Kingdom

£95,000

The Business Partnership is delighted to offer for sale this very well established and profitable boat charter business servicing the sea-angling and diving community. The business has an excellent long-standing reputation, with an enviable list of regular clients drawn from all over the U.K. This is an exceptional opportunity for a sea-loving purchaser to acquire their dream business, which provides an excellent income, yet it still has ample scope to grow. The business is reluctantly offered for sale due to ill-health.

The boat is a fully fitted 34-foot Portland 10, with fish-finder, echo sounder, Radar, colour chart plotter, shelter deck, dive platform, toilets, ample storage, and is fitted with twin CAT 3116 300hp diesel engines. The present berthing currently has a small shed housing a compressor (included in the sale) for filling scuba tanks as well as housing small tools. All the equipment has been regularly tested and certified to meet all the current legal requirements.

LOCATION

The business is currently based in a popular Marina in the Portsmouth area, but can easily be re-located within that general area.
