

Janitorial And Cleaning Supplies Business For Sale

Norfolk, United Kingdom

£695,000

This business was established just over 10 years ago and has consistently grown in both turnover and profits ever since. Core products are janitorial and cleaning supplies however the business also sells a range of other products including work-wear, personal protection goods and first aid equipment. The business has approximately 2,500 small to medium sized business customers who are serviced through tele sales and van deliveries. Financially the business delivers excellent GP margins and net profits. It is capable of being easily operated with a management team and therefore could provide an excellent investment income for a passive investor.

EXPANSION POTENTIAL

The business has excellent prospects having been grown consistently over the years. Currently operating in a defined area of East Anglia there are many opportunities to develop into new territories. Additionally the internet site is barely established and could increase turnover if fully developed.
