

Very Profitable Corporate Internet Gift Basket Company For Sale

Stirling, Central, United Kingdom

£140,000

The Business Partnership Scotland is delighted to offer for sale the following business...

The business sells luxury Scottish produce in hampers. They specialise in corporate gift hampers with Christmas, Burn's Night and St Andrew's Night being peak periods on top of steady trade throughout the year.

New business comes through their well developed network of websites which allows customers to mix and match products to fill their own hampers.

The business has an impressive list of corporate clients and includes many blue chips companies across the UK.

Hampers are sent worldwide with the company being an FDA approved exporter. The hampers are filled with a mix of food and alcohol.
