£129,000

The Business Partnership Scotland is delighted to offer for sale the following business...

The business has been established for over 90 years with the present owners having run the business for the last 15 years. They have built up a good solid local repeat trade due to excellent service and a good stock of products. The shop has 13 news runs per day with a weekly news bill of around £1,700.

The shop offers newspapers, magazines, confectionery, tobacco products, toys, soft drinks, greetings cards, fishing accessories and local fishing permits. The permits are very popular and lead to more sales in the shop especially within the fishing accessories.

The large loft space above the main shop gives excellent storage space and is ideal for carrying extra stocks.
