

# Established Beauty Therapy Business For Sale

Edinburgh, Lothian, United Kingdom

£33,900

The Business Partnership Scotland is delighted to offer for sale the following business....

The business was established by the current owners many years ago. They have progressed the business to keep up with modern natural treatments and have built up a large loyal customer client base offering one to one personal service. The owners have built up an excellent reputation and a high percentage of business is gained through word of mouth recommendations.

The premises are in excellent condition throughout with 3 therapy rooms with new state of the art equipment.
