

Relocatable UK Distributor Of Measurement Equipment For Sale

Undisclosed, West Sussex, United Kingdom

£49,950

The Business Partnership offers for sale:

Established for eight years, this professionally organised business distributes European-made technical measurement equipment to laboratories, universities and manufacturing organisations throughout the UK and Ireland.

- Well Established Business
- Relocatable Throughout the UK
- Efficient Home-Based Operation
- High Quality Niche Products

The business has long-standing supply agreements with a raft of high quality instrument manufacturers and supplies equipment for real-time X-ray inspection, 2D optical inspection, 2D/3D surface topometry and the on-line measurement of surface roughness and form. Additionally the company supplies automatic labelling and printing equipment.

Operated by the owner with the assistance of two Sales Associates and an Engineer, the business is exceptionally efficient and returns strong profits.

Incoming buyers with the ambition to expand the business will find ample opportunity through the introduction of new equipment offerings and by further exploitation of the 2,700-strong contact database.

Opportunity for those with ambition to expand the business, perhaps working alongside the current owner. Would suit a sales engineer with some level of technical expertise.
