

School & Nursery Photography Franchise For Sale

SCOTLAND, Scottish Borders, United Kingdom

£6,750

The Business Partnership is pleased to present this good fun and easy to learn business for sale. The business involves photographing pre-school children in nursery school, school, playgroup and creche environments.

Franchisees work sociable hours during school term times with hours to suit.

The technical side of producing the images is done by the office leaving franchisees to market the business and take the photos.

Franchise fee £6,750 for 4 days of initial training with additional local training, stationery pack, samples and on going head office support.

The photographic equipment costs and additional £2,300.

Home based.

Please ask for full sales particulars.
