

Pottery Concept Café & Sandwich Shop For Sale

Cheshire, United Kingdom

£115,000

The business partnership is delighted to offer for sale this thriving business with an excellent reputation for quality and service. It has gained an excellent reputation for serving high quality food and beverages in the café and providing a wide selection of sandwiches, home made cakes and takeaway foods from the downstairs shop. The owners have recently added a Pottery Painting concept to the café which is proving to be a bit hit with people coming to paint pottery for gifts and children's party bookings increasing. This is a prime area for a concept like this, it's a growth sector and presents the new owner with a massive opportunity to exploit and is a unique selling point for visitors.

LOCATION

The business is located on a very busy high street in an affluent area which ensures regular footfall every week.

EXPANSION POTENTIAL

This is a superb opportunity to purchase a growing business with strong potential to increase sales, in addition to the Pottery Concept, by expanding the buffet/delivery side of the business. There is also scope to extend trading hours, opening earlier, closing later in the summer months and opening on a Sunday. The implementation of a website would be advantageous particularly in the marketing of the clay/pottery concept.

SUPPORT & TRAINING

The current owner would help with the smooth transition of the business.
