FRANCHISE TERMS

This franchise opportunity is an excellent franchise giving the franchisee the opportunity to earn a realistic £40,000 in your first year. The opportunity allows a franchisee to step into an existing successful business model, with a fully equipped van and territory but with the reassurance of the full support and training behind you to make running your own business a success. You will be provided with all the tools of the trade to enable yourself to target a particular village/location on a certain day providing fresh well produced fish and chips to that local community or function without the overheads of a normal fish and chip shop. Franchise fee of £12,500 + VAT, a further £6,500 + VAT for a deposit on a brand new fully equipped personalized van. It is also sensible to have some more funds available for working capital. The fee also includes full training, support and access to discounted supplies through the franchisor. Contact us now to find out more information!
